How can I access my old remittant advice (RA) as ACS no longer has any information?

Providers will be able to see RAs on the HP web portal on Thursday, October 28 at noon. Old RAs will also be available. If there are any questions regarding RAs you may contact the HP Provider Contact Center at 1-800-766-4456. As a reminder, the Provider web portal address remains the same as the ACS Web portal is now redirecting you to the HP Web portal.
